We are pleased to invite you to the Hon. Maurice Facey Lecture on **Wednesday, October 12** at the Jamaica Conference Centre from 4:00pm - 6:00pm. The Lecture is free of cost.

Our guest speaker, Greg Clark, is a leading urbanist who has worked in over 300 cities, providing thought leadership on future urbanisation trends.

His areas of expertise include city development, mobility, technology, digitisation and innovation, urban governance, city strategic planning, real estate and place leadership.

Greg has chaired over 20 advisory boards for individual cities, reformulating their future investment strategies and long-term plans. He has also tracked the impact of the COVID-19 pandemic on 100 cities since 2020.

Join us as we examine the private sector's key roles in urban revitalisation and the post-pandemic future of cities.
