Congratulations to Chancellor, Mr. Lloyd Carney on his appointment as Ambassador/Special Investment Envoy for Technology

Acting President, Prof. Colin Gyles, CD and the entire University of Technology Jamaica Community join in extending hearty congratulations to our Chancellor, Mr. Lloyd Carney on his appointment as Ambassador/Special Investment Envoy for Technology by Prime Minister, The Hon. Andrew Holness. Mr. Carney has been appointed one of four ambassadors/special investment envoys.

The Office of the Prime Minister has stated that "this strategic move underlines the Government's commitment to catalyzing innovation, investment and economic growth to create sustainable opportunities for the people of Jamaica. These individuals have extensive experience and expertise in various sectors and will bring a wealth of knowledge and a network of international contacts to their new roles. Their primary objective is to identify potential investment opportunities and attract investment by promoting Jamaica as an attractive destination for both local and international investors."

We wish Chancellor Carney every success and fulfillment in his new role.
